

AIDS, LOVE, AND

WITH SCOTT FRIED

*whose story helped inspire
the musical RENT*

THE SECRET LIVES OF HIGH SCHOOL STUDENTS

This presentation illuminates our hidden world, illustrating feelings of isolation and separateness; its message is a powerful one of love, sacredness, and self-respect. Scott shares the story of his own risk behavior and infection with HIV in his youth and how his journey has led him to share this story with more than a million others as they try to make peace with life's demanding circumstances.

You'll thank yourself coming to school.
